Why just *watch* a movie?

Have you ever wanted to be in a movie?
Point to the screen, and say: "**Look! That's me!**"

This is your chance. Astray Films is coming to Little Rock
and we are selling **40 walk-on roles**.

Your **TAX-DEDUCTIBLE** contribution of **\$1,000** gets you
on camera in the feature film **Guttersnipes**.

If you'll check us out at www.guttersnipesfilm.com,

You'll see that **Guttersnipes** is an uplifting story about an
important issue -- learning the language of **autism**.

Our goal is to offer a thoughtful and enlightening portrayal of autism
and to create **awareness, compassion and hope** for individuals
and families living with special needs.

But Hollywood will **NOT** make this film.

That is why we are taking this community-driven approach.

So... what do you say?
